Not going out of business, but to greatly reduce our large stock of Paper Hangings, to make room for a line of Carpets, Mattings, Window Shades, etc., which we shall put in stock as soon as possible, we shall begin at this date to offer our immense line of Wall Paper Mouldings, etc., at factory wholesale prices. All borders (except Ingrain and Tile) at same price as side-wall and ceiling. This stock of Paper Hangings was bought for the 1904 trade direct from several of the largest factories and is strictly new and up to date.

Do not confound this sale of Paper Hangings with the worthless stuff usually offered at special sales, which costs you double price to hang on the walls. Bear in mind that this will be an opportunity of a lifetime to buy Paper, and you cannot afford to miss it. (Send for Samples.) Thirty thousand feet of Room Moulding just in and for sale at half price.

Also headquarters for Paints and Varnishes.

### Mississippi River on a Humpage.

Vicksburg, Miss., April 18.—With a roar that was heard for miles the Mississippi river cut through Killbuckcrankie neck in Davis bend, restored Davis island to the Mississippi mainland and resumed its old channel through what for forty years had been known as Lake Palmyra. Several valuable cotton plantations were practically ruined. The neck of land through which the Mississippi river cut to regain possession of its former channel was about 500 yards wide. Davis bend is twenty miles south of this city.

### TIME IS THE BEST.

The Testimony of Barre People Stands the Test.

The test of time is what tells the tale. A new broom sweeps clean but will it wear well is what interests most. The public soon find out when misrepresentations are made and merit alone will stand the test of time.

Barre people appreciate merit, and many months ago local citizens publicly endorsed Doan's Kidney Pills, they do so still. Would a citizen make the statement which follows unless convinced that the article was just as represented? A cure that lasts is the kind that every sufferer from kidney ills is looking for.

Mrs. M. M. Nelson (N. M. Nelson, ex-Superintendent of streets), residence 18 West Street, says: "I felt so well pleased with the results obtained from the use of Doan's Kidney Pills in the winter of 1897 that I gave for publication a statement, the gist of which was as follows: An attack of la grippe, some eight years before, left me in poor health. As time went by I grew worse instead of better. A second attack prostrated me and still weakened my condition physically. I paid over \$100 for doctors' bills and medicines, but I might as well have used as much cold water. To accurately describe my condition and tell what I suffered is an utter impossibility. The slightest housework tired me. If on my feet an hour or so, sharp pains across my back, extending downwards, compelled me to stop and rest. At night when I went to bed the very place where a mortal expects rest and comfort was the very place where I never received it and, as might be expected, I arose in the morning poorly prepared for the commonest household duties. In time other complications arose and accompanying the backache which was severe enough of itself, trouble with the kidney secretions set in. I became discouraged and often I wonder how I pulled through. One day Mr. Nelson brought home a box of Doan's Kidney Pills from E. A. Drown's drug store and insisted upon me taking them. If a dose or two had brought decided results I would never have continued the treatment until they stopped a decidedly acute and possibly dangerous attack. I have never ceased to recommend Doan's Kidney Pills to friends and acquaintances during the five years, which have elapsed since that preparation first came to my notice."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
